AUGUST

1 August–3 September

Seahenge: A Journey - Andrew Rafferty

Andrew's accomplished photographic style creates distinctive and atmospheric pieces that draw the viewer into an encounter of landscape and place. Integral to this exhibition is the artist's collaboration with the well-known and published poet Kevin Crossley-Holland.

The images are a response to a journey captured in poetry. Mostly they were taken along the *Icknield Way* and *Peddars Way* mostly in Norfolk. This collaboration of photographer and poet has created an exhibition where individuals can take time to consider the beauty of landscape in their own experience.
